Dear folks - Kathy too -

I guess you'll be surprised to hear from me but I'm not much of a writer as you probably know by now. I've been keeping busy and I'm glad of that because the time goes by faster and that's all I'm waiting for now - to get out.

I've heard from Johnnie a couple of times and I've been writing to him and I guess by the way he talks he's getting used to it okay. Well, I sure wish him a lot of luck and hope and pray that nothing starts up anywhere while he's in the Army. But unless I miss my guess, he'll make out okay in there.

Am' sorry that I couldn't get home for the start of hunting season but that's just tough luck while Am' in here. I doubt if I'll be home before deer season but Am' darn sure going to be home for that, you can be sure.

I went to the movie tonight and it was pretty good. The name of it was "The Wild North", all about the Canadian north woods and some trapping and moose hunting.

Well, I'll sign off for now so be good and I hope to see everyone soon.

Love to all + especially those pretty little ones of mine.

Tony
