Dear folks,

Just a few lines to let you know that everything is okay here and I haven't forgotten you. Things have quieted down a little again. But a guy can't kick on that. The weather is getting cooler all the time and we had a few ~~snaps~~ ~~snaps~~ last week. Its been quite clear out now and we get a good frost every vite.

How is Tony coming along with the pheasant hunting? Hope he got a few and he sure ought to get a deer with the two week season. If I know Tony at all he'll get one anyway. Sure wish that I was home to get in a little of that hunting. Haven't gotten any mail lately so I don't know just how all the hunters at home are doing. But just like everything else here the mail service is poor, too. Its getting so it takes 10 or 12 ~~or 12~~ days to get a letter from home. When I do get it tho I get 7 or 8 letters at a time so thats not too bad at all.

I got myself a new Smith and Wesson
-38 now, too. Its a nice little weapon
and just right for quick use.

I'll close again for now but until
next time be good and here lots of
love to all.

Tony

P.S. - That heart break ridge fighting
is over on the other side of us so
I wasn't in it. But we went thru
all of the "Punchbowl" fighting. You've
probably heard of that.
